

It's all ... **ABOUT BOATING SAFELY**

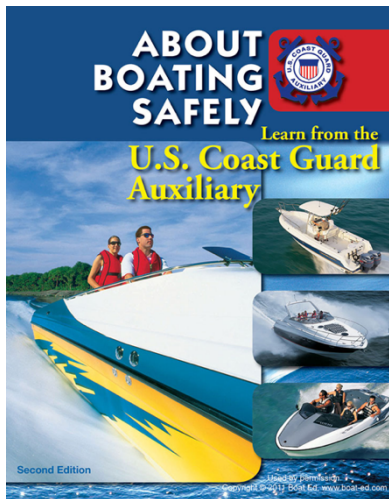

Boating is a sport that can be enjoyed by the entire family. New owners and skippers who are safety-minded take their families to basic boating classes especially designed for the beginning boater. The U.S. Coast Guard Auxiliary is one of the leaders in supporting this boating safely endeavor.

The United States Coast Guard Auxiliary's Huntington Flotilla will be conducting About Boating Safely (ABS) courses as follows:

- ✚ April 14th, 9AM – 6PM; Huntington Library, 338 Main Street, Huntington, NY.
- ✚ May 5th, 9AM – 6PM; Northport Library, 151 Laurel Avenue, Northport, NY
- ✚ June 2nd, 9AM – 6PM; Halesite Fire Department, 1 New York Ave., Halesite, NY

These courses meet the boating safely certificate requirements needed for those born after May 1, 1996; and for those on personal watercraft.

Our courses are conducted by U.S. Coast Guard trained and certified instructors, facility owners, coxswains, and crew qualified members of the USCG Auxiliary. In addition to presenting the course curriculum, these individuals will be available to address a wide array of boating questions as they arise.

Topics Include:

Introduction to Boating – Maritime Law – Boat Safety Equipment – Safe Boating – Navigation – Boating Problems – Trailering, Storing and Protecting Your Boat – Hunting and Fishing, Water-skiing and River Boating

Cost: \$40.00 per person.

*** Children 12 and under free if sharing a book with an adult.

For more information and to register for this safe boating class contact us at auxiliarypal@hotmail.com.
